

Express Scripts Corporate Overview

Express Scripts is a pharmacy services company putting medicine within reach. We deliver smarter pharmacy services through bold action, specialized care, data insights and innovative solutions, making healthcare more affordable and accessible for millions of people.

Our legacy of innovation and bold action is seen throughout our company's 30+ years. We have successfully helped patients and clients overcome great challenges in healthcare by doing two things incredibly well: taking care of patients and controlling costs. Our continued success relies on our commitment to do what's right for our patients and clients and to always keep patients at the center of everything we do.

Headquartered in St. Louis, Express Scripts is the nation's largest pharmacy benefit manager. We provide network-pharmacy claims processing, home delivery pharmacy care, specialty pharmacy care, benefit-design consultation, drug utilization review, formulary management and medical and drug data analysis services. Express Scripts also distributes a full range of biopharmaceutical products and provides extensive cost-management and patient-care services.

Express Scripts keeps patients at the center of everything we do.
