Time equals money

Dramatic price increases. Patent expirations. Unwarranted price discrepancies. Sudden, unpredictable changes can lead to substantial costs if not addressed immediately. **Are you ready?**

Threat

Extreme market events can happen anytime.

The time between an event occurring and plan sponsors taking action has resulted in excessive, often unnecessary, drug spend.

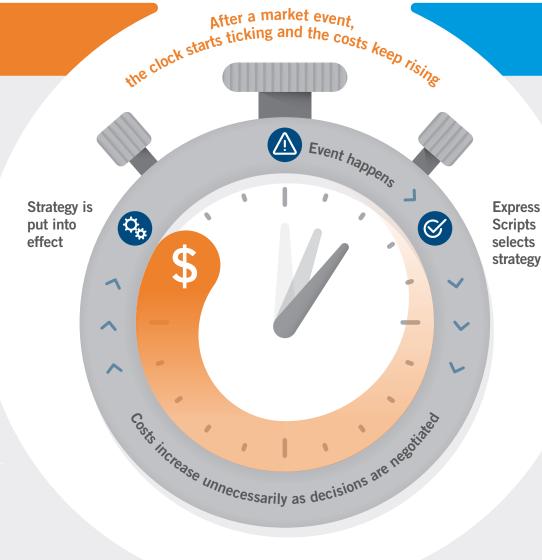

Daraprim® skyrocketed to \$750 a pill overnight

Diovan® generic was priced close to the brand-name drug

Fluoxetine® tablets are 50x more costly than capsules

Remedy 1

Together with plan sponsors, Express Scripts can take bold action immediately, saving money for plans.

And our collective size and scale can serve as a deterrent to future market events.

We could have negotiated for a therapeutic equal to save \$90/Rx

We could make **cost-effective capsules** preferred for members

Our Express Scripts Market Events Protection ProgramSM accelerates our ability to act more quickly on your behalf when potentially damaging market events arise. We'll respond as they happen while guiding your members to the most clinically appropriate and cost-effective therapy.
