

EXPRESS SCRIPTS®

CHAMPIONS FOR BETTER™

We're a health care opportunity company.

Where others see problems, we see possibilities.

EXPRESS SCRIPTS HAS A DEEP HISTORY AS AN INDUSTRY INNOVATOR because every day we're reaching toward better. We not only dare to imagine a better health care system, but we're also driven to make it happen. Express Scripts is a health care opportunity company. This means where other people see problems, we see possibilities. We disrupt under performance in pursuit of a simpler, more sustainable system and better health for all. We take on this mission in three ways:

We expose opportunity to unlock new value through our specialized expertise, deep insights, active listening and meticulous data analysis.

We take on the toughest challenges wherever they arise, with unwavering focus and a tenacious determination that never fades.

We get better, together by working alongside our clients and partners to develop personalized solutions that make a meaningful difference in people's lives.

Standing alongside those we serve, we're driving towards better ... together.
